VILLAGE OF GREENUP, ILLINOIS

Electric Utility Planning Workshops

Greenup electric customers are invited to share their priorities at workshops hosted by the Illinois Municipal Electric Agency (IMEA), the Village's wholesale electric supplier. Customer feedback will help inform IMEA's Integrated Resource Plan, which will guide how it meets communities' future electricity needs.

In-person workshops and open houses

Tuesday, January 26, 2027
5:30–8:30 p.m.
