Nature of Meeting: Review & discuss Business Development District plan

Meeting Report: The meeting was called to order at 5:30 p.m. No visitors were present. The committee looked over the proposed Business Development District map presented by Trustee Blade. She also presented the tax revenue figures given to her by the Village Clerk. Having knowledge about how much the school district receives from the county wide 1% tax, the committee feels like we need more information before we can make an informed decision. More investigating will be done to determine if the figures presented were accurate. The meeting adjourned at 6:00 p.m.

Committees Recommendation: The committee recommends that we wait until we have more information closer to our December meeting to vote on a BDD so we make a better informed decision.
