OF THE VILLAGE OF GREENUP, CUMBERLAND COUNTY, ILLINOIS, THAT:**

Section 1. Purpose.

To enhance the quality of life and the present and future health, safety, and welfare of all residents, to enhance property values, and to ensure proper planting and care of trees on public property, the Village Board herein delegates the authority and responsibility for managing public trees, creates a Tree Advisory Board, establishes practices governing the planting and care of trees on public property, and makes provision for the emergency removal of trees on private property under certain conditions.

Section 2. Definitions.

Section 3. Authority and Power.

- (d) **Delegation of authority and responsibility.** The Utility Leads and/or their designee, hereinafter referred to as the “Director”, shall have full authority and responsibility to plant, prune, maintain and remove trees and woody plants growing in or upon all municipal streets, rights-of- ways, village parks, and other public property. This shall include the removal of trees that may threaten electrical, telephone, gas, or any municipal water or sewer line, or any tree that is affected by fungus, insect, or other pest disease.
- (e) **Coordination among Village Departments.** All village departments will coordinate as necessary with the Utility Lead and will provide services as required to ensure compliance with this Ordinance as it relates to streets, alleys, rights-of-way, drainage, easements, and other public properties not under direct jurisdiction of the Utility Lead.
- (f) **Interference.** No person shall hinder, prevent, delay, or interfere with the Utility Lead or his agents while engaged in carrying out the execution or enforcement of this Ordinance.

Section 4. Tree Advisory Board.

The Village Board hereby creates a “Tree Advisory Board,” hereinafter referred to as the “Board.”

- (a) **Duties.** The Board shall act in an advisory capacity to the Utility Lead and shall:
 - (1) Coordinate and promote Arbor Day activities;

- (e) **Meetings.** The Board shall meet a minimum of four times each year. All meetings shall be open to the public. The Board chair may schedule additional meetings as needed.

¹ At the first appointment of Tree Advisory Board members, Board will appoint all members at once. A staggered board can be arranged by giving the initial members different term lengths. For a six-member board, two members can be given one-year terms, two members can be given two-year terms, and the remaining two members given three-year terms. After the initial members’ terms expire, all future members would be given three-year terms.
