Nature of Meeting: to hear employee concerns with current health insurance

Meeting Report: The meeting was called to order at 3:35 p.m. Employees voiced concern about how much money they were having to spend out of pocket for the current plan. They stated that several years ago, the coverage was much better. Chris Snedeker offered to meet with any employee to go over their claims to make sure they were being properly reported. Chris is also going to contact the carrier to see if there is anything we can do to make things better for our employees before the end of the year.

Committees Recommendation: wait until we get more information from Chris, have another meeting with employees when we get the additional information, possibly end our contract with Shawnee administration, try to help our employees with the additional expenses they have incurred.
